## **Student Profile**

A Document to Support the Application for Admission

At Six Nations Polytechnic, our aim is to make a post-secondary education accessible to anyone who aspires to higher learning. We recognize there are sometimes non-academic factors that you may want to present for our consideration, such as leadership skills and work experience. We invite you to provide any information that would support a decision for your admission. Please note that these forms must be completed by all full-time and part-time applicants.

### **INSTRUCTIONS:**

Review the entire Student Profile format to decide how you will present yourself as your submission may be the determining factor for your admission. Please use last page if additional space is needed. **Do not use lists or point form.**

### **Please respond to the following topics to discuss your reasons for pursuing post-secondary studies:**

1. What have been your significant activities and interests during the past two years? For example: employment experiences; parenting experiences; academic or occupational skills development; community or volunteer work; club or organization membership; or any athletic involvement? Please identify the activity, how you became involved and your time commitment.

4a. What is your education goal?

4b. How will your chosen program help you achieve your education goal?

5. Provide any additional information that you believe will support your application for admission to your chosen program.
