# Welcome to SNP

On behalf of Six Nations Polytechnic, I welcome you to join us in preparing for a stronger, healthier future for all who share this land.

Through this viewbook, you will discover that SNP is committed to supporting the development of confident, knowledgeable and skilled members of society. With distinguished instructors and smaller class sizes, SNP students experience a culturally supportive, interactive learning environment designed to support success.

At SNP, you will find a range of programs to choose from. What makes SNP unlike any other post-secondary school in Canada is our ability to offer first-hand Indigenous knowledge, education and skills training to everyone who is committed to learning. For example, SNP is the only place in Canada where one can attain a Bachelor of Arts in Ojwehoweh languages (Mohawk or Cayuga).

Whether you are coming to us from Six Nations, or other communities and cities, everyone at Six Nations Polytechnic – staff, students and instructors included – is expected to follow the values of Ga'nigohi:yo/Kanikoriio (Respect and the Good Mind). These values include fairness, sharing, honesty, kindness, integrity, responsibility, openness and more. If these values resonate with you and you are looking to learn in a truly unique environment designed for your success, I encourage you to choose Six Nations Polytechnic.

Nya:wəh

**REBECCA JAMIESON**  
President and CEO

# TOP 10 REASONS TO CHOOSE SNP

## 1. STUDENT LIFE

In 2018 Six Nations Polytechnic was voted number one for Happiest Students by CampusRankings.com because we're devoted to student success. The Student Success Officers at SNP create collaborative community relationships through fun and informative campus activities like student lunches and barbecues, seasonal events, giveaways and educational workshops. Through the Student Success Officers at SNP, our students have a voice, and we ensure that every success, big or small, is celebrated. Learn more about student life on page 6.

## 2. INDIGENOUS PERSPECTIVE

At SNP, we know that what really sets us apart are our roots in Hodinohso:ni (Six Nations) knowledge, culture, language and tradition. The values of Ga'nigohi:yo/Kanikoriio (a good mind), are at the foundation of our organization. They include: fairness, sharing, honesty, kindness, confidentiality, consistency, integrity, responsibility, responsiveness, cooperation, openness, and trustworthiness and all faculty, students and staff are expected to uphold these values.

## 3. OPEN AND INCLUSIVE

As an Indigenous institution, there is a common misconception that students must be Indigenous to study at Six Nations Polytechnic, but we welcome students of all backgrounds to come and learn with us. In fact, it's our diversity that makes us stronger and helps to bridge gaps in understanding between cultures. Reconciliation is happening right now, in our classrooms where students learn valuable academic skills while gaining a more comprehensive understanding of Indigenous worldviews.

## 4. LOCATION

Both our Six Nations and Brantford Campuses are conveniently located in the Golden Horseshoe region with easy access to Toronto, London, Hamilton and Niagara Falls.

## 5. PARTNERSHIPS

SNP partners with Ontario colleges and universities to ensure that students have access to the best instructors, resources, tools, and teaching methods available. Partnerships have been and will continue to be a large part of our success and we are delighted to have Mohawk College, Niagara College,

Canadore College and Fanshawe College as partners for college programs, as well as Brock University, McMaster University, Wilfrid Laurier University, Western University, University of Guelph and University of Waterloo as our university partners.

## 6. PROGRAM SELECTION

You want a quality learning experience that leads to employment. Our program range is broad; from nursing, to social work, to trades, Indigenous Studies, Cayuga and Mohawk languages, and more, there are education opportunities for everyone at SNP.

## 7. SMALL CLASS SIZES

On average, class sizes at SNP rarely exceed more than 30 people in one cohort, meaning easier access to instructors for questions, and a friendly, more familial learning experience with fellow classmates.

## 8. ENVIRONMENTALLY FRIENDLY FACILITIES

Our Brantford Campus recently underwent \$5 million worth of upgrades to make it one of the most energy efficient campuses in Ontario, with a solar rooftop, energy efficient

lighting throughout and more. Both campuses strive to be environmentally responsible, sticking very closely to our Hodinohso:ni roots as caretakers of Mother Earth.

### 9. CLOSE TO HOME

Many of our students come to us from within a 40-kilometre radius because they know that with SNP ***you don't have to go far, to go far.*** Students often work full time while attending

classes or have families and need a school nearby where they can obtain a quality education.

### 10. FREE PARKING

Because so many of our students are local and commute, we provide free parking at both of our campuses as well as a shuttle service between campuses for even more convenience!

# STUDENT LIFE AT SNP

**L**ife at Six Nations Polytechnic isn't all about studying. We realize you need a safe place to live and a social life too.

Below you will find various suggestions for entertainment, culture, shopping, recreation, housing and more!

## Living in Six Nations

Six Nations Polytechnic is located in the heart of Southern Ontario, situated on the picturesque Grand River.

### RECREATION

**Food and Fun:** Whether you're looking to bite into a world-famous hamburger, hang out with friends at the local pizza joint, or curl up with a coffee at a cosy home-style café, Six Nations has it all. A wide variety of local options gives residents and students all the choices they need.

**Sports:** Six Nations is the self-proclaimed lacrosse capital of the world. In fact, thousands of years ago the Hodinohso:ni invented the game that turned into modern lacrosse. Lacrosse is sometimes referred to as The Creator's Game and is of important cultural significance in the community. Today, lacrosse games can be seen year-round in Six Nations.

Also, because it is centred on the Grand River, the Six Nations community is able to enjoy recreational water activities such as canoeing, fishing, paddle boarding, water skiing and more. The river also serves as a beautiful scenic backdrop and attracts hundreds of visitors every year.

**Parks and Trails:** The Six Nations community is home to the largest single block of Carolinian forest in

Canada, visible even from satellite images taken from outer space. With two beautiful parks and walking trails, there's no better place to witness the leaves change to yellow and red in the fall, watch the snow fall gracefully in winter – or better yet – have a picnic in the shade under a magnificent maple tree in the summer. Veteran's Park and Chiefswood Park are a constant source of activity, with different events happening year-round.

### HOUSING

We've partnered with Places 4 Students ([www.places4students.com](http://www.places4students.com)) to offer housing in the City of Brantford, about 20 kilometres away. Shuttle services between campuses are available.

## Living in Brantford

The city of Brantford is located in Southern Ontario, with direct access to Hwy. 403 and within close proximity to other major highways, rail lines and three major Canadian ports of entry (Windsor, Toronto and Niagara Falls). Known as the telephone city, Brantford is a vibrant community with a population of about 100,000 residents, making it the ideal location to live, work, play and visit.

## SHOPPING

Brantford has a great balance of local artisan and specialty boutiques, big box stores and a large mall. Lynden Park Mall, offering over 95 top-name national retailers, provides everything you need in one convenient location. The Brantford Farmers Market has 49 indoor stalls open for business all year, with additional seasonal outdoor stalls.

## RECREATION

**Food and fun:** From great breakfasts to quick lunches and signature dinner dishes, Brantford's numerous casual dining establishments will satisfy all of your cravings. By heading into Brantford's downtown locale, you can travel the world of cuisine with delicious sushi, Mexican, Chinese, or traditional Canadian classics.

**Sports:** Swim, golf, play, skate, run, or simply relax. From sports to day camps and four-season recreational programming, Brantford offers the recreation and leisure you are looking for.

**RISE Centre:** Located directly across from SNP's Brantford Campus, the RISE Centre provides accelerated sport-specific dynamic training. RISE is a multifaceted facility; whether your goals are to strengthen and condition,

increase speed and endurance, or repair and rebuild through its advanced Sports Medicine Clinic, the RISE Centre has you covered.

**Parks and Trails:** Brantford prides itself on the quality parks and trails it provides for community enjoyment. Some parks provide a peaceful, relaxing setting, while others offer the opportunity for sports, recreation and exercise. The city offers nearly 70 kilometres of nature trails that are perfect for running, cycling or hiking. With constant upgrades and additions, there's always something new to explore.

## HOUSING

Find a home away from home. Six Nations Polytechnic has partnered with Places 4 Students to offer housing in Brantford. Information on landlords can be found at [www.places4students.com](http://www.places4students.com).

# UNIVERSITY CONSORTIUM YEAR 1 PROGRAM

(SNP PROGRAM)

**Credential:** Year 1 University Transfer

**Program Length:** 1 Year (remaining years to be completed at partner institution)

**Campus:** Six Nations Campus

**Program Summary:** This first-year, community-based university program provides students with the opportunity to complete the first year of a Bachelor of Arts degree within the Six Nations territory. The program facilitates obtaining ten half-credit courses, on a full- or part-time basis, that are transferrable to an undergraduate degree program offered with the partner universities (pending a 60% mark achieved in each course).

**Start Date:** September, 2020

**Admission Requirements:**

- Ontario Secondary School Diploma (OSSD) or equivalent
- Mature applicants considered on an individual basis.

**Tuition/Fees:** \$ 7584.00\*

*\*Based on 2019/2020 fee structure.  
Subject to change.*

## COMMUNITY & JUSTICE SERVICES

(286 - 288 | PROGRAM PARTNER: MOHAWK COLLEGE)

**Credential:** Ontario College Diploma

**Program Length:** 2 Academic Years

**Campus:** SNP Brantford Campus

**Start Date:** September 2020

**Program Summary:** You will explore both the community and institutional sectors of the criminal justice system. Learn techniques towards rehabilitation of those in conflict with the law. You will also understand issues related to female and Indigenous offenders, addiction, group dynamics, behaviour management and victims within the criminal justice system. You will explore community programs, restorative justice initiatives and preventative measures.

### Career Opportunities

- Supervisors in Correctional facilities
- First Line Respond Officers in prison/jail

### Admissions Requirements

OSSD or equivalent (Mohawk Academic Upgrading, GED) including:

- Grade 12 English, C or U or equivalent
- Law and /or Community and Justice Services courses recommended
- Additional selection criteria may apply
- Ideal for Pre-Justice graduates
- Attendance at program orientation is strongly recommended
- Some employment opportunities

require that certain physical standards, driving abstracts and health standards; including vision must be met

- A recent Police Criminal Record Check (PCRC) (Pardons are possible, seek legal counsel) and additional selection criteria may be used to assess applicants in this program
- Applicants should be advised that employers require a Police Criminal Record Check (PCRC)

Applicants are advised that there are specific requirements that must be completed prior to participating in a co-op placement, and that it is their responsibility to ensure the requirements are met.

# PRACTICAL NURSING

(715 | PROGRAM PARTNER: MOHAWK COLLEGE)

**Credential:** Ontario College Diploma

**Program Length:** 2 Years (16-month continuous delivery)

**Start Date:** September 2020

**Program Summary:** Collaborative learning environment where you and your peers will experience simulated and real-life opportunities in state-of-the-art classrooms and labs. The Practical Nursing Program at Mohawk College is currently approved (Category 1) by the College of Nurses of Ontario. Current graduates from this program are eligible to apply for registration as a Registered Practical Nurse in Ontario.

## Career Opportunities

### Industries of Employment:

- Registered Practical Nurse
- Hospitals
- Physicians' Offices
- Retirement Homes
- Community Agencies
- Nursing Homes and Long-Term Care Homes
- Research and Policy, Occupational Health
- Business and Industry: Corrections/Forensics, Laser and Cosmetic Clinics, Sales Representative for Health Care Products
- Independent practice: Foot Care, Private Duty Nurse

## Admission Requirements:

- OSSD or equivalent (Mohawk Academic Upgrading, GED) including:
  - Grade 12 English, C or U or equivalent
  - Grade 11 or 12 Mathematics, C, M or U level (M or U recommended)
  - 2 Grade 11 or 12 Sciences, C or U level in biology, chemistry, or physics
- 85% - 88% cumulative recommended average in the required courses to be competitive.
- Good working knowledge of computers including Microsoft Office applications recommended.
- An English language proficiency test may be required.
- All applicants to this program must complete a mandatory standardized Health Occupation Aptitude Examination (HOAE) as part of the selection process. There is a fee of \$50.00 for this test.

- Effective January 2005, the College of Nurses of Ontario (CNO) requires all applicants for registration or reinstatement from within Canada to provide a recent Police Criminal Record Check (PCRC) as part of the registration process.
- Offers of admission to this highly competitive program will be made based on a combination of HOAE test results (50%) and ranking of academic history (50%)
- Option are available for mature applicants.

*Note: This is a limited enrolment program. Possession of the minimum admission requirements does not guarantee admission to the program.*

# MECHANICAL TECHNIQUES – WELDER / FITTER

(PROGRAM PARTNER: CANADORE COLLEGE)

**Credential:** Ontario College Certificate

**Length:** 30 weeks

**Campus:** SNP Brantford Campus

**Start Date:** September 8, 2020 or  
April 23, 2021

**Program Summary:** Skilled welders are highly sought after and well paid. Learn the specialized skills of the trade on industry-standard machines in our fully equipped lab. You will learn multiple welding processes at one of our individual welding stations, including shield metal arc welding (SMAW), Flux Cored Arc Welding (FCAW), gas metal arc (GMAW) and gas tungsten arc welding (GTAW), FUSION welding, brazing, and cutting techniques. Skills learned are highly

transferable and versatile as welding is used in several trades including electrical and automotive. Graduates will have completed all position welding training and possible Canadian Welding Bureau Certification.

## Career Opportunities

After graduating from the one-year certificate program, you'll be qualified to enter an apprenticeship as a welder, boilermaker, pipefitter, steamfitter, millwright or sheet-metal mechanic.

## Admissions Requirements

OSSD or equivalent, ENG4C or ENG4U.

# CONSTRUCTION TECHNIQUES

(452 | PROGRAM PARTNER: MOHAWK COLLEGE)

**Credential:** Ontario College Certificate

**Length:** One Year

**Campus:** SNP Brantford Campus

**Start Date:** November 2, 2020

## Program Summary:

- Prepare graduates to work as part of a team on the construction of residential homes, commercial buildings, and components of civil infrastructure
- Emphasis is on developing and practicing the technical skills related to the field of specialization
- Develop skills and training required to join the booming home and commercial construction sector
- Learn industry leading concrete forming and production framing techniques
- Acquire specialized training in carpentry hand and power tools, construction materials, wood and wood products, and workplace safety

## Career Opportunities

Career opportunities exist in commercial or residential construction sectors in a variety of positions such as:

- Skilled Trades Worker
- Production Framers
- Residential home framing
- Residential and commercial concrete forming and finishing
- Wood and concrete landscaping component

Graduates may also pursue other training options in:

- Construction Craft Worker
- Construction Engineering Technician Building Renovation (462)
- Construction Engineering Technician (451)
- General Carpenter (403A)

## Admissions Requirements

OSSD or equivalent (Mohawk Academic Upgrading, GED) including:

- 11 English E, C or U
- 10 Mathematics L, D or P

Options available for mature applicants.

## CONTINUING EDUCATION

### **SKILLS BUILDING PROGRAMS - ACHIEVEMENT CENTRE**

The Six Nations Achievement Centre is a community-based agency that has provided Literacy and Basic Skills to the community of Six Nations for over 29 years. The centre provides free instruction in; basic math; reading; writing; computer and essential skills to adults who need to increase their independence or academic skills for entry into higher levels of education and/or to obtain employment. For more information call 519-445-0023 or text 519-757-5989.

### **CONTINUING EDUCATION (CE) ARTISAN SERIES**

The CE Artisan Series is a collection of non-accredited workshops focused on Hodinohsó:ni' raised beadwork and textile arts. Since the launch of this continuing education program, we've added more workshops to the roster

of offerings including how to make baby ribbon shirts and dresses, raised beadwork cuffs and yokes, amongst many other workshops.

### **CONVERSATIONS IN CULTURAL FLUENCY**

The Conversations in Cultural Fluency lecture series is centred on Indigenous Knowledge introducing critical and innovative conversations within a given theme. Conversations in Cultural Fluency creates a space for community, scholars, and professionals to come together to talk about a variety of topics as it relates to Indigenous peoples.

### **PEACEBUILDING WORKSHOP SERIES**

This non-accredited workshop series is designed to build and enhance an appreciation for Indigenous Knowledge, specifically Hodinohsó:ni' thought and philosophy, as a framework when approaching

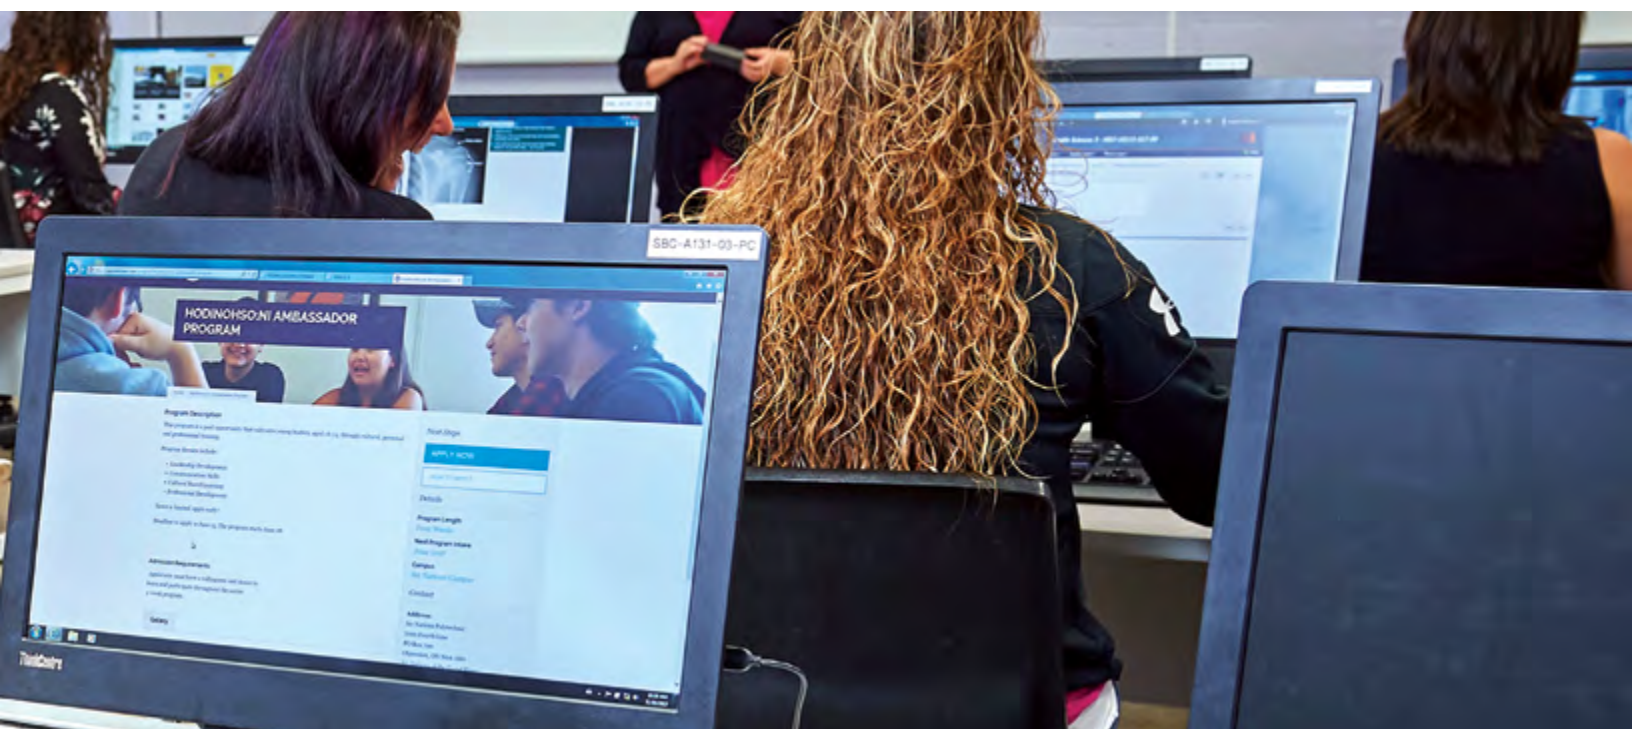

peacebuilding. Continuing Education students within these workshops will be guided by experts in the field as they engage in critical thought and rich discussion around theories and practice of peacebuilding amongst peers.

### **ONTARIO COLLEGE OF TEACHERS: ADDITIONAL QUALIFICATIONS COURSES**

Six Nations Polytechnic is an approved Additional Qualification (AQ) provider. We offer special courses throughout the summer for teachers to obtain additional qualifications in subjects such as Special Education (Part 1); Teaching First Nations, Metis and Inuit Children; Environmental Education; Teaching Mohawk; Mathematics, Primary/Junior (Part III – Specialist); Science & Technology; and, Principal's Qualification Program – Part I.

*SNP will be hosting an AQ series in summer 2020, please check our website for details.*

## DEYOHAHÁ:GE: INDIGENOUS KNOWLEDGE CENTRE

The goals of the Indigenous Knowledge Centre take learners and scholars along Two Roads, or parallel paths of thinking, both of which offer people tools, strategies, and perspectives upon which a future can be built. Deyohahá:ge (Two Roads): is dedicated to bringing together two streams of consciousness – the ancestral Indigenous knowledge with the best of modern academic knowledge – in order to advance the overall well-being of all peoples. The two main goals to accomplish this vision are:

Preservation and nurturing of Indigenous knowledge and wisdom.

Nurturing and fostering community-based research that incorporates Indigenous knowledge in all fields.

Deyohahá:ge: provides a balanced platform for Indigenous research and knowledge sharing. The Centre provides for more Indigenous input into research, more respect for Indigenous research protocols and more benefits of research to the local communities. At the same time, local communities benefit from more access to research findings. Deyohahá:ge: is dedicated to sharing what students and scholars have learned and building upon what has already been done to help Indigenous communities recover, preserve and protect the knowledge of their ancestors.

Through this effort, Deyohahá:ge: will also help to address the knowledge gap that exists in society with respect to the history of the country, the experience of Indigenous peoples, the impacts of colonization and trauma, and the outstanding obligations that remain to be addressed (access to lands, resources, cultural and language revitalization, etc.).

Deyohahá:ge: will work towards becoming the key resource for Indigenous Knowledge to inform, enhance and create sustainable and enduring cultural content in all programs and services directly through its Hodinohso:ni collections archives.

STEAM  
Academy

SNP STEAM Academy is pioneering a new model of education that offers an integrated high school and college curriculum focusing on science, technology, engineering, arts and mathematics (STEAM). Students have the opportunity to earn both an Ontario Secondary School Diploma AND a two-year College Diploma focusing on Information Systems and Technology. The length of enrollment is tailored to the learning needs and educational goals of each student.

STEAM Education creates critical thinkers, increases science literacy, and enables the next generation of innovators.

SNP STEAM Academy students must be willing to commit to a rigorous course of study in STEAM, career development and essential 21st-century skills, such as leadership, problem-solving and critical thinking.

### WHY CHOOSE SNP STEAM ACADEMY?

- Get early access to college courses while in high school. Students will take their first college course in the 10th grade!
- Pursue a tuition-free post-secondary qualification, workplace learning that includes on-going mentoring, worksite visits, speakers and internships.
- Focused education-to-career pathways. Students graduate equipped with skills that lead directly to jobs or further studies.
- Individualized academic support that enables students to progress through the program at their own pace.
- Dedicated & talented staff who are focused on students' academic, personal, and professional success.

**Campus:** SNP Brantford Campus

**Start Date:** September 7, 2020 &  
February 3, 2021

*Applications are accepted on an ongoing basis if space is available.*

**Curriculum:** Ontario Secondary School Diploma (OSSD), Ontario Secondary School certificate.

### **Career Opportunities**

Upon graduation from SNP STEAM Academy, students can choose to continue their studies at Six Nations Polytechnic, at other colleges/universities or enter the workforce with industry connections and valuable skills

### **Admissions Requirements**

Please apply online at [snpolytechnic.com/steam-academy](http://snpolytechnic.com/steam-academy)

Most recent report card or proof of academic achievement, Individual Education Plan (of applicable), and consent to release information form.

The program is open to incoming grade 9 students who are interested in learning about and applying science, technology, engineering arts and mathematics (STEAM).

The school is open to students of all backgrounds and abilities.

# ADMISSION

## To Apply to Six Nations Polytechnic University Programs

Applications to university programs accredited by Six Nations Polytechnic can be completed on our website by visiting <https://www.snpolytechnic.com/apply>.

To schedule a campus tour and get help with your application in person at Six Nations Polytechnic, call 519-445-0023.

## Submit your completed application, including:

- All original high school, college and university transcripts
- A copy of your status card (if applicable) or other photo identification
- Application fee

## To Apply to Six Nations Polytechnic College/ Partner Programs

Applications to SNP College/Partner programs are processed through Ontario Colleges ([www.ontariocolleges.ca](http://www.ontariocolleges.ca)), a centralized, one-stop processing centre for all Ontario colleges.

## Application Deadlines

Please see the program chart on the last page of this book for individual program application dates. Note: the application portal will stay open past the deadline if the program is not full.

## Application Fees

University Programs: A \$30.00 new applicant processing fee applies.

College Programs: There is a \$95.00 Ontario College On-line Processing Fee (fee may be subject to change). Applicants may contact SNP to inquire about financial support for Ontario College application fees by calling 519-445-0023.

## Locations

Check the Program Chart on page 26 & 27 for program location by campus.

## Six Nations Polytechnic's Other Programs and Courses

Visit our website, [www.snpolytechnic.com](http://www.snpolytechnic.com) to find out more about Six Nations Polytechnic's other programs and courses and how to apply.

## Admission Support

If you would like to learn more about your options, how to apply to a program, or the status of your application, please contact:
